The Vermaas Family is coming to: **Southland Baptist Church, in Cincinnati, OH – June 21-25, 2026 – for Vacation Bible School.**

In their 32 years of ministry with **Good News for Little People, Inc.** they have had the privilege of ministering in 25 states, as well as in Canada, the Dominican Republic, and Mexico. Their ministry includes: Bible preaching, conservative music, multi-media, Gospel illusions, ventriloquism, and much more.

"It is my joy to recommend Tim and Susan Vermaas and the Good News for Little People Ministry to you and your church. I was privileged to know Tim and Susan long before I became their pastor and a member of their ministry board. Through their ministry of ventriloquism, illusions, song, and the clear preaching of God's Word, they place a strong emphasis on the Gospel and have seen many come to know Christ as Savior. Your church would truly be blessed to take advantage of this wonderful ministry."

Matt Herrell – Pastor of Fairview Baptist Church, in Athens, TN

"The Vermaas family is a rare blessing in my life and I believe they will be a blessing to you and your church and especially to your young people. They are of the highest character and can be completely trusted with any aspect of your ministry. I am praying the Lord will allow you to meet and minister alongside the Vermaas family. I know they will be a wonderful blessing to you as they have been to me."

Steven Bell – Pastor of Way of the Cross Baptist Church, in McDonough, GA

"It was by far the best Vacation Bible School we have ever had. Tim and Susan are very gifted children's workers and are very dedicated to their specialized calling. Our children fell in love with both of them and so did all of our workers. We will want to have them back." **Dr. Tom Wallace – Evangelist and former Pastor of Franklin Road Baptist Church, in Murfreesboro, TN**
